“ One of the funniest memory's is aunt Lola telling mellisa she was going to get fat cause she ate a dozen eggs at a time. For so.e reason I have never forgot that.

“ I remember when I was little Lola and mom used to hang out and just talk. Man Lola saw mom bust my butt many a time and put me in the corner. I'll miss her but I know she's hanging out with everybody in heaven and mom's talking her head off.

“ It saddens me to hear about the passing of such an Angel on Earth! I am so sorry I will not be able to make it to the Home Going Services of Ms. Lola, our company will be out of town that day, but please keep in touch with me and let me know if there is anything I can do to help make things easier for you through this time of sorrow.

“ I have SO many wonderful memories of Aunt Lola... her house was my favorite place to be, when I was a kid growing up! She had so much love for all us kids at her house, ALL the time! I loved helping in the garden, collecting eggs, playing under the bush in the yard, throwing a ball on the roof of the house (how did that not drive her crazy?) and catching it in a ball glove, having ice cream after dinner every night, her potatoes with jackets on them, having 2 bowls of cereal for breakfast (because we weren't allowed to do that at home), having strawberry or chocolate Quik in our milk... I could go on & on, because she was a wonderful loving woman! I loved her so much! She always made you feel better when you were at her house!

I love you Aunt Lola! R.I.P
Susie (That's what she always called me)
