“ *From Cajun County in South Louisiana*

I have never met Betsy in person, but felt I knew her. I broadcast the sermons from our church and always sent it to her. Her brother in law Paul Estes and sister-in-law Rita Estes and I are very good friends and in the past when there were emergency's I would call Betsy for them to let their family know.

She would respond to my message from church and keep me posted about Greg's health, so I was shocked when I heard she had passed on from this earth.

To her children and family even though I am not there, Betsy will be very much missed and I will always have the fond memories of her text with her smiling face.

“ *Betsey and Greg were wonderful, caring neighbors when I lived across the road from them. Betsey was so beautiful and my grandchildren loved to visit her, Greg and Sadie Marie. Sadie Marie kinda got used to us 😊 We shared flowers and I have a beautiful lilac bush she gave me! She loved talking about her children and family! I will miss her so much sitting on the porch, waving and stopping by for a chat!*

Prayers for all of the family of this beautiful, precious lady 🙏🙏🙏
