“ *Brenda was very sweet and kind. I always enjoyed visiting with her in the library. Her smile was amazing, one of those people you want to be around. We had many chats about the "Earl". Thinking of this pretty lady and her family.*

*Much sympathy*

“ My heart is sad that Brenda has left us so early in life. I know she is no longer in paint and surely celebrating with her husband, sister, Mom and Dad. I remember several occasions where Brenda and I shared some fun times; whether we were sitting on the sidewalk curb talking and laughing, or having a good time at a party. I know that Brenda loved her girls and that was her main love....I didn't know anything about her married life with Jim but I I do know she loved him before they were married. RIP my friend, until we meet again!!!
