“ I will never forget taking him to Clark county fair. He wanted to go on ALL the rides. I carried him on my back to get up the steps to the rides. He loved being at the top of the fairest wheel and looking at all the lights and people. He smiled and laughed so much that night. Wow!! He also loved the car races. Fly high my sweet Bribri. I truly loved you like a son.

“ I met Brian at our Barker Family reunion, he was about 8 months old and I was just about to start my Sr. year of HS. He was being kind of fussy, and I don't remember if I offered to hold him awhile or what, but it didn't take long before he was fast asleep in my arms. That moment endeared me to him forever. A few years later at another family reunion and my own son was just a little over a month old. Brian kept wanting to look at him as he slept soundly in a little travel "crib". The last time I remember seeing Brian was many years ago at our grandpa's 80th birthday, you never know when the last time for anything will be. I treasure those memories I have of my younger cousin. I know he'll be missed very much. Praying for God's comfort and peace for each of you, Uncle Ron, Darrin, Rhonda, Bill and Tina. I wish I could be there to give each of you a hug, but know that you're in my thoughts and prayers. Love you all.

“ Even though there are broken hearts. We knew that one day that you would part. Yes we are sad but we know that you are free from pain and able to walk and talk now and that makes us glad. You will always hold a special place in our hearts. We will always love you Brian. Rest with the Angels.

“ My fondest memory of Brian was a summer afternoon at my house enjoying the pool. Stephanie Newton assisted Brian in on raft there he laid all comfy and floating around smiling and so very happy💜 Prayers and comfort to Ron and the rest of the family during this most difficult time. Lisa Hatton
