“ *She was a very loving, family oriented, caring individual. She loved her family and spoke of them often. She loved flowers and we enjoyed seeing them together. She liked to watch birds too. She was very independent and that's what made her last longer upon this earth. The family said she was a great cook! Her neighbors were good friends of hers and many a Rook game was played there. She was a wonderful lady and I'm glad I got to know her.*
