“ *I first met Diane at Locust Grove Baptist Church in 2008 when I was an exchange student in Carlisle. She made me feel so welcome and was one of the most kind and caring people I have ever met. When I visited over the years I always looked forward to seeing Diane again. I am so sorry to hear about her passing. I know she will be deeply missed by the community and I will definitely miss seeing her next time I visit. Rest in peace, and my condolences to the family.*

“ *My thoughts & prayers go to Diane’s family. We have exchanged Christmas cards ever since we worked together at First National Bank in Carlisle about 43 years ago. I even sent one this Christmas*

“ Lots of wonderful memories of Diane! I think my favorite was when Wanda, Diane and I would sing Christmas songs as we cleaned up after family dinners. Geneva would sometimes join in too. Taking walks together to burn a few calories in our ever present quest to lose weight... Diane was always full of joy, you could not be around here long and be down, she would be so full of love and care that you just automatically felt a bit of that joy too! I know Wanda is heart broken over the lose of her best friend and sis, sending hugs to you, Wanda! Love you! Hugs to Roy, love you too, dear "Uncle" Roy. My prayers are with you all!

“ So very very sorry to hear of Diane's passing. Such a sweet person as was her whole family. i will always remember her smiling face and that familiar grin she had. I am glad I had the opportunity to know her. I know she will be missed. She was one of the best. Nicholas County is sadder but heaven is rejoicing. She is pain free and safe at home.
