“ I'm going miss him calling me and bugging me trying to get his son in trouble lol. I'm going to miss hanging out on the porch just listening to him talk. I'm going to miss his big famous cook outs that he loved to have. Huge loved having people come over. There wasn't a time while we was at his house that someone didn't stop by just to see how he was. The ol man as i have always called him was a great and wonderful person, father, grandfather, friend, nephew, and uncle. He was loved by many and loved so much more. His heart was add big as the sky. If you was in a bad mood around him he would just pick on you until you smiled. I had the best and greatest father in law in the world. I love you so much ol man. May you fly high with the angels. This isn't good bye, it's see you later.
