“ My Mother couldn't of had a better neighbor. After my Dad passed he would always check to see if my Mother needed anything. I can see him sitting on the porch and talking to my Dad. They were such great friends. My Mother loved cooking desserts and taking them over to him. He loved desserts. I could always call him anytime if I thought my Mother was not feeling good. He would check on her and always call me back ASAP. He will be missed so much. My sympathy goes to the family.
