“ Too many great memories to choose from. Great times living "down on the creek", just doing every day things and enjoying each others company, making the best of anything we were up to at the time. Great times at holidays, singing Christmas songs playing games and laughing at each others antics. Geneva was wonderful Grandmother, and a precious second mother to my girls; great confidante and role model. Always wanted the best for her children. She leaves a lot of precious memories behind to those who knew and loved her!
