“ *Thank you Johnnie for those kind words about dad, dad really loved you, we hardly ever drove past your house without stopping to visit. He just always wanted to visit with you and Shirley. Our hearts are really sad to have to think of going on without him around. He always put God first, family second, and then the things of the world. He was a hard working man, always up before the sun, and a lot of times working after the sun sat. His work was hard labor on the construction site building houses by day and on the farm by evening. Dad lived a good life going fishing when the work got caught up. We took many fishing trips anywhere from in Kentucky to Florida, with his favorite spot was on the licking river running the riffles or on Cumberland river catching walleyes. He enjoyed hunting quail, rabbits, turkey, and deer but fishing was where his heart was when it came time to relax. Many Saturday mornings the whole family would go fishing together on the Cumberland river, dad would be getting the boat to sit just right, so we could all reel in the big rainbow trout. Dad never met a stranger many times he would pick up hitchhikers to help somebody out if he could, sometimes I would question him doing that. There's no telling how many good deeds he has done in his lifetime, he wouldn't say anything about them most of the time. The love in his heart was abundant. He was raised right in a loving family and was blessed his whole life, and even in his last days/ years on Earth he was surrounded everyday by his family and that is exactly how he would have wanted to leave this world. God bless us all as we remember him*

“ I vividly recall those long ago times as a boy when Jerry as a very young man would attend Papaw Woodford's church on Bedford road (the same church he has been a member to present) and he along with his family would gather at Papaw's house for church dinner after church service.

He loved Papaw Tabor so much, therefore, I would like to share the fact that Jerry passed on December, 22 which is Papaw Tabor's birthday too (12/22).

Moreover, I also want to share the amazing coincidence that you can find the biblical name Tabor being mentioned in the Bible for the first time in the Book of Joshua in the 19th chapter.

The name Tabor is mentioned twice in chapter 19, first on the 12th verse and for a second time on verse 22.

What an amazing coincidence! Or is it?

I already know Jerry is in Heaven with Papaw, Mamaw, Doodle, Paul, Lonnie and numerous other love ones wetting a line!

John chapter 11 verses 25 and 26! I hope you find comfort in these scriptures knowing Christ's promise we shall never die if we beieveth in Him!
