“ *Linda lived with Ann and Virgil Breedlove and me Danny Breedlove in the early 1960's. Ann Breedlove (Sissy) was Linda's elder sister. We all lived together in Chicago on Southport near Wrigley Field and although Linda was my aunt she was just a young teenager and I was around 5-7 years old so my oldest dearest memories make her more of an older sister which I never had In real life. We drifted apart as the years passed but kept in touch enough to know each others life to some extent. I will miss having Linda but I have great memories to recall because of Linda's presence in my early life.*
