“ I'm gonna miss that smile so much and that bubbly personality. For tomorrow, I'm gonna wish her a happy birthday in heaven. I'm gonna miss those hugs that pull you in. She never judged a soul, everyone deserved love thru her eyes. God bless you Rosie, I know you've lost more than your best friend. She may be gone from your sight but I know she will be with you every day. She will come to you thru dreams to comfort you cause that's just how she is, cherish them. This has been a tragedy for sure. God bless your whole family.

“ Loretta was a wonderful, warm, loving and caring person who will be greatly missed, not only by her family, but by her whole community. I had the pleasure of meeting her and Rosie through their mother Freida with whom I worked with until she retired. Much like Freida, I don't think Loretta ever met a stranger in her life. She was taken too quickly! I'll miss her smile and her hugs. She always gave me great hugs!

*“Do not judge a biography by it's length, Nor by the number of pages in it. Judge it by the richness of it's contents”. Loretta's life will be judged by the richness she brought to all she knew and loved.*

“ So very sorry to the family. I will always remember the years we worked together and became friends. I could always count on Loretta to listen and brighten my day even when I was having some very trying times. "The hug" made all your troubles disappear. I love her and will never forget her. My thoughts and prayers go out to all if you.
