“ Dearest David.....i wanted to let you know I am thinking of you in your time of loss and sorrow. I cannot express how sorry I am, but I can tell you I know what you are going through. 12 years ago I lost my mom, leaving me the last of our original family. It's my understanding, you too are now the last remaining member of your original family. Please know that I am thinking of you and praying for you as you go through this process. If you ever need to talk or cry or just remember, you know where you can find me. I consider ours a very special friendship. My thoughts and prayers are with you my friend.
