“ *I'm proud to have called Matthew Bishop my son . He was a loving caring person . I watched him put his own life at risk to save his sisters . His smile and the words old man are greatly missed . I just want the people that mistreated my son with your hurtful words and actions .... like stealing his food while you would not give him a scrap of food . Putting your hands on him in the wrong way . I say shame on you !! I hope and prey the guilt consumes you . I just want to go ape on your asses and make the gas pump looked like the expoe . I will refrain from those actions because I am better than that . Just know some how some day you will regret your actions*

“ *Matthew was always a great person to be around. We always joked about whether or not I could eat more food than him, (I couldn't but it was still fun). Rest easy Matthew.*
