“ Aloha to Bonnie and family
I was saddened to hear from Tammy about Norman’s passing. My year in Kentucky was great thanks in no small part to Norman’s mentoring me at HOMCO. He was smart, kind, patient, quiet, and eager to share his knowledge. Do you know I still use a lot of the bookkeeping skills he taught me? In a company of mostly men, Norman was the ultimate gentleman. He was very proud of both you and Lesley and loved the home you shared. I will always remember his gentle and kind ways. The world is a better place because Norman was here.
May God bless and comfort you and yours. Thinking of you. Karleen Meyer. (Island of Kauai. Hawaii)
