Love, The Vaughn Families - December 27, 2016 at 08:48 AM

“ *My Aunt Patsy was a stunningly beautiful woman. The only thing that exceeded her outer beauty was her inner beauty. She had the most patience of any person I've ever known and she had the most calming and soothing voice.*

I remember as a little kid during holidays looking forward to her super strong sweet tea that I would drink all afternoon until I was bouncing off the walls.

I believe God puts certain people on this earth to help the rest of us understand how to be kind and loving to everyone. My Aunt Patsy was one of those people, put on this earth to help the rest of us be better, kinder people.

*She will be sincerely missed,
Brad Wills*
