“ *Mike, Phillip and JoAnn I am so sorry for your loss. I loved my Aunt Phyllis Jean, always a smile on her face and laughter in her heart!!! So kind to me always. No more suffering as she's walking those roads paved of gold!*

“ *May the Peace of Christ be with you and yours. I'll always remember Aunt Phyllis Jean as kind, hardworking & humble. We know what it's like to lose a Mom near the Holiday season, but we also believe she is no longer suffering and she has in a much better place. We lost our parents in 1968 and 1981, but they live on in pictures, memories and our mannerisms. I haven't lived in Kentucky since 1996, but I have fond memories of your Mom & Dad and her role in our Dad (Bill's) Family. Their generation is now gone, it's up to us to carry on, I think we've done them proud!*
