“ My heart is with Shawn's love ones during this difficult time. During his time at QuaLex, Shawn and I built a comradery out of client-supplier relationship. Shawn's genuine concern for all of us was truly uncommon in today's business environment and I'm forever grateful to have met him; I'm a better person because of our friendship. I'm missing his quirky teasing, and the plant doesn't feel the same, but I will rely on my memories of our fond times to help me through this difficult time. Dee and the family I'm here if you need me.
