“ My nephew Michael was the cutest little kid you would ever want to see. I took care of him when he was a baby and we had such a good time together. He was a good guy, a soldier and a father. I so wish I had known him in later years. Rest In Peace, I will always remember our time together. ❤️👶🇺🇸

“ Jo and all of Michaels family and friends, I'm so sorry for your loss, my heart is heavy for you all, heartbreaking to have lost Michael. I have nothing but great memories of Michael, although our friendship during our time serving in Hawaii was a short one, we became great friends and had so much fun together and formed an ever lasting love/bond/brotherhood, one I'll always treasure. Michael, don't stop dribbling bro... Our battles on the court have not ended, just delayed... I'm coming for you brother... Until we meet again... I love you Michael.

*Thank you for the picture and words. Michael was an avid basketball lover, so I know he will hold a spot for you the two of you to have a game one day.*
