“ Ruby, as you journey home to our Creator in heaven, Dr V will be there to welcome you with a warm embrace, even saying " Rub, what took you so long?". To the Villaflor family, we join you in your grief on the loss of your beloved Mom, Lola , aunt and sister. For Alex and I, we lost a very kind friend, sister and confidant. We will always be grateful to her and Dr. V for their moral support during our early years in Carlisle. We will never forget. Good bye my dear friend and sister. Until we see you again.
