“ *Jifanie, Sharlie, Wiley J., Darlene and family,*

We would like to send our sincerest condolences to each of you.

Willie has made lots of memories with us in the last several years (which I will cherish forever). Willie could make you smile, even though you were having a bad day. Willie never met a stranger, and would try anything. Willie loved music and playing his guitar. Willie loved to torment everyone. Willie was an all around great husband, father and son with a heart of GOLD!!!!

May God wrap His arms around each of you, comfort you and guide you in the days ahead. Willie will be sadly missed by all whom knew him, but will never be forgotten.

A husband, father and son taken way to soon!!

May Willie Rest on Peace.....

“ *Have known Willie since before he was born. Willie was always full of curiosity! Every time that we saw Willie, I would say to him; "You behaving Willie?" His reply would be "always", then just grin.*

To Willie and Darlene:

There are not enough words to express our deepest and most sincere sympathy for the both of you. We watched Willie grow up. We have been friends for a very long time. Our hearts break for you. I pray God will hold the both of you in his arms and help carry you through this.
